

Scout Led Activities Index

Item Code FS120084 Jan/14 Edition no8 (103619)

0845 300 1818

This factsheet is designed to help members identify the rules and guidance that relate to a particular Scouting activity.

Introduction

This index table covers activities when they

- **are led by people in Scouting and**
- **involve people in Scouting.**

When using outside organisations to supply activities, POR Rule 9.9: Use of External Centres and Instructors and factsheet FS120086 Externally Led Activities Index should be followed.

The steps required to run Scout led activities are:

- 1) Check POR rules
- 2) Check factsheets
- 3) Check if a permit is required
- 4) Check whether further insurance is required
- 5) Check whether HQ needs notifying
- 6) Complete a risk assessment
- 7) Put an InTouch system in place
- 8) Obtain approval for the activity

This factsheet provides guidance for steps one through to five. For help in steps six to eight see the POR Rules and Further Guidance for all activities on the next page.

Third Party Insurance

Standard Scout insurance does not cover members for third party liability in motorised land vehicles. Members should contact (Unity) Scout Insurance Services before taking part in motorised land activities to see whether they need to take out third party liability insurance.

The Activity Table

- **POR Rules** lists all the specific activity POR rules relating to an activity.
- **Further Guidance** shows all relevant resources such as factsheets and assessment checklists. *Assessment checklists (the syllabus to be assessed against for permits) are shown in italics.*
- **Scouting Permit Required** identifies whether a Scouting permit is required to lead the activity.
 - 'P' shows it is possible to get a personal permit.
 - 'L' shows it is possible to get a leadership permit.
 - 'S' shows it is possible to get a supervisory permit.
- **Extra Third Party Insurance** shows whether you should contact Unity regarding third party insurance cover.
- **Notification Required** identifies whether you need to inform the Scout Information Centre every time the activity takes place.

Other Activities

If the activity you want is not listed then you should firstly check whether it is under another name (eg mountain biking / off road biking). If not then see 'other activities' at the end of the table.
